K18 is a breakthrough in hair repair that works on a molecular level to restore strength and softness from the inside out. Unlike traditional masks that just coat the hair, K18 uses a patented peptide to reconnect broken keratin chains caused by chemical services, heat, or environmental stress. The result is healthier, stronger, more resilient hair in just 4 minutes – with lasting repair, not just temporary smoothing. It's perfect for anyone who colors, lightens, or styles regularly and wants their hair to feel youthful and vibrant again. 🌿🌟
